It’s not about what church we belong to. Or what system of beliefs we follow. The last thing this world needs is more religiousness or more of man’s systems. So many claim to do things in the name of God from some religion or another. It is time to get back to the basics of the Word of God. For the true worshipers of God, “It’s Not About Religion.”

Come hear Bro. Keister who was a pastor for 10 years, and is now traveling across the USA doing all kinds of mission work from city street ministry, to helping small rural churches in the hills. You may even hear some of his testimonies of conflicts with the mafia, drug dealers, attacks by satanic people, or freedom from addictions.

At 6:00 PM: “It’s Time to Wrestle with God”

Bro. Keister is clearly led by the Lord to share this message on this night. Perhaps it is meant for you?

In the Bible Jacob found himself in a whole lot of trouble. He did not know what to do. Not only was his life in danger, but also the lives of his whole family. What was he going to do now?

Are you facing some things that seem impossible? Does your situation look hopeless or you just do not know how to get victory with God. Well then, it is time to learn how to “Wrestle with God,” like Jacob of old. There is victory for your situation too.
