Proclaiming Scriptural Salvation & Holiness Across the USA!

September 2013

Brief Update, Praise Report & Prayer Requests

Dear brethren,

I wanted to drop you a quick mission news update since our last full newsletter produced in July. I write this with urgency as I leave in just a few days for my next Evangelism Mission trip.

Ben Burkey is assisting me on this next trip once again. He has been helpful in many ways in the past, and on this trip there are plans for more of his help in the area of door to door evangelism. I'm hopeful that having the extra person will increase the number of homes we are able to visit. Lord willing, we leave the evening of September 24th and return by Nov. 1st. We need your prayers as we undertake this exciting journey for the Kingdom of God.

Some of our goals for this trip are to evangelize everywhere we go, distributing tracts, sermon CDs, and Bibles. Our help to churches will consist of door to door outreach, including praying with people; passing out tracts and flyers for special services; prayer stand evangelism; and pastoral visitations. There are plans to preach 4 series of meetings: a 10 day revival; a 6 day evangelistic meeting; a 6 day evangelism training and revival meeting; and an evangelism training weekend with a special service on Sunday. These meetings and evangelism helps are done as part of our mission work. Any and all offerings received go to the mission work.

The Lord willing, here are the places we are going for the mission: Pick up a load of Bibles in Dayton, OH; Pilgrim Nazarene Church in Indianapolis; Union Bible College in Westfield, IN; Church of God in Carthage, MO and Miami, OK; Bible Holiness in Wichita, KS; Bible Holiness K-12 School in Independence, KS; Pilgrim Nazarene Churches in Durant, OK, Whitehouse, TX & Sherman, TX; ending at Calvary Bible Wesleyan Church in Plainfield, IN. See prayer list for dates to pray over.

Unlike most missionaries who raise support and go to a foreign land for a couple of years, we have to raise support all along the way as I minister across the USA. So while traveling for the various evangelism mission stops on this trip, I am praying and working to hold mission deputation services to raise the funds for this trip and general mission funds. The winter is fast approaching with the dreaded heating bills that many of us face in PA. Please pray we raise a good portion of our remaining fall and winter budget on this trip, since our mission travels will slow down over the winter and winter deputation opportunities are often slim.

Lord willing, the latter part of fall and most of winter will be spent in my home area. The plan is to evangelize local areas, cities, and college campuses. I also plan to work on the much needed modernization of our websites and continue to package and ship CD mail orders. I also will work on the missionary housing project as God provides the items needed, or funds to purchase supplies and sends help to do the work. Also, I hope to get caught up on many personal things.

Thank you for your prayers and support as we minister for the Lord!

In the Lord's Army,  
Rodney Keister
